PROHIBITIONS

Violators of 36 CFR 261.13 are subject to a fine of This map does not display nonmotorized uses,

visitor information from the local national forest office. Designated roads, trails and areas may also be subject to temporary, emergency closures. As a visitor, you must comply with signs notifying you of such restrictions. A national forest may issue an order to close a road, trail or area on a temporary basis to protect the life, health, or safety of forest visitors or the natural or cultural resources in these areas. Such a temporary and/or emergency closures are consistent with the Travel Management

OF THIS MAP

does not supersede State traffic law.

are effective as of the date on the front cover and will and in each area; and any seasonal restrictions that apply

by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use or implying that the road, trail or area is passable, actively maintained, or safe for travel. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes when it is safe to do so and when not causing damage to National Forest System resources. Seasonal weather conditions and natural events may render certain portions of the year. Refer to Seasonally Designated designated routes and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheeldrive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive to indicate limited cross-country motor vehicle use within little maintenance.

Service travel management regulation.

These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

RESPONSIBILITIES National Forest System lands carries a greater developed setting. Not only must you

subject to State traffic law, including State requirements for licensing, registration, and operation of the vehicle in

Motor vehicle use, especially off-highway vehicle use, involves inherent risks that may cause property damage, serious injury, and possibly death to participants. Drive cautiously and anticipate rough surfaces and features, such as snow, mud, vegetation, and water crossings common to remote driving conditions. By your participation, you voluntarily assume full responsibility for these damages, risks, and dangers. Take care at all times to protect yourself and those under your responsibility.

Read and understand this map in its entirety. If you have questions, please contact the Kootenai National Forest for clarification.

As a motor vehicle operator on a National Forest

It is prohibited to possess or operate a motor vehicle on National Forest System lands on the Kootenai National Forest other than in accordance with these designations (CFR 261.13)

up to \$5,000, imprisonment for up to 6 months, or both (18 U.S.C. 3571(e)). This prohibition applies regardless of the presence or absence of signs. over-snow uses, or other facilities and attractions on the Kootenai National Forest. Obtain forest

Rule (36 CFR 212.52 (b), 36 CFR 261 subpart B). The designation "road or trail open to all motor vehicles"
